1. Your enrolment in the above course has been accepted on the basis that some or all of the tuition fees for your course will be covered by a VET Student Loan (VETSL).
2. A VETSL will not be used to pay the covered fees for a part of your course unless you have advised AIE of your intention to access a loan for your tuition fee, either at the time of enrolment or before the census day of the relevant Unit of Study. This communication must be in writing and you should keep a copy for your records.
3. If you do not wish to access the maximum amount of VETSL available for this course you may indicate to AIE how much VETSL you wish to access for each Unit of Study at the time of enrolment. Changes to the VETSL amount you wish to access can be made in writing before the relevant Unit of Study census date.
4. Any VETSL debt will remain a personal debt until it is repaid to the Commonwealth. VETSL debts may incur a 20% government loan fee. For more information on VETSL go to the [VET Student Loans](#) page on the AIE website.
